

Barcelona, It is one of the world's most seductive cities. The Mediterranean waters lapping at its shores and its gentle climate form the base of Barcelona's unique fusion of the past and the modern. Upon its historic Roman foundations co-exists architecture ranging from Gothic to Vanguardia, making Barcelona one of the most attractive and exciting cities in the world. This vibrant, cosmopolitan and culturally rich city offers its visitors never ending possibilities. Discover the medieval seduction of the Gothic quarter, its beautiful modern avenues, and their attractiveness and elegance, the freshness of its beaches, the amazing views from the highest point of Barcelona in 'El Tibidabo' and the joy of a unique way of life. The Ramblas, Barcelona's most vibrant shopping boulevard, is easy to reach. But when it comes to tapas bars, galleries, stores, boutiques, music shops etc, there is no need to travel far, everything is "just around the corner".

The school, accredited by *Instituto Cervantes*, is located in the Gothic quarter, in the city center, only 3 minutes walking from the Cathedral, "Born" or Ribera quarter and the Ramblas. In summer students take their Spanish lessons in our fascinating residence building "Sant Jordi" a few minutes walking from the famous "Avenida Diagonal" and near the Shopping center "La Illa". It contains bright classrooms, garden, common areas for the students and a small gym (not free). It is conveniently located just a few minutes from a public transport, which provides you with easy access to the city center.

Accommodation: The **residence** is particularly well suited for young people who like being with other people of their age and who would like to make new friends. It has 2 to 4-bedded rooms, and you receive full board (breakfast, dinner and a packed lunch). **Host-family:** Offers the advantage that you can experience the life of an authentic Spanish family, and get a real insight into what it's like to live in Barcelona. Of course, you could also practice your Spanish with the family members, which could help you become more confident while speaking and consolidate your knowledge. You will stay in a double room and they will provide you with breakfast and dinner and a packed lunch. The host families are located from 20 or up to 30 minutes away by public transport from the school.
