

Playa del Carmen, is located on the east coast of Mexico's Yucatan peninsula and offers numerous water sports opportunities which you could enjoy, including sailing, surfing, snorkeling, and kayaking. The city also boasts a wide range of shops and restaurants to discover as well as other interesting cultural experiences. Spectacular Caribbean beaches, ancient temple towns and Mayan pyramids await you here, as do the very hospitable people where our language school is located, in the Mexican state of Quintana Roo.

The school, accredited by ALTO and WYSE, in December 2008 we opened our newly built school campus - with classrooms, school residence, restaurant, roof terrace and a swimming pool. The school's own restaurant offers breakfast as well as small snacks and lunch. The campus is located in the center of Playa del Carmen, just 4 blocks from the sea, so students can go to the beach together after class. You can also enjoy a beautiful view over Playa del Carmen from the roof terrace.

Accommodation: In our school **residence** you will share the accommodation with language students from different countries. You would stay in an air-conditioned, three- to four-bedded room and would receive full board (breakfast, dinner and a packed lunch). The facility also has an outdoor swimming pool for a refreshing dip, and a typical Mexican courtyard with shaded corners in which to learn and relax.
